### 3-Read this conversation :

**Ben:** Hey! How's it going Padma?

**Padma:** Hi! Well, I've decided to start looking for a job for this summer. Not easy, ugh!

**Ben:** Oh, but that's a great idea! Think of everything you'll do with the extra-money! I've worked since I was 14!

**Padma:** Wow! And so, where do you work now?

**Ben:** In a pet store! I love it! I get to take care of the animals. It's a lot of responsibility but I'm

thinking of the future, and you know, it'll look good on my résumé when I apply for a job.

**Padma:** Hmmm, I'm not a big fan of pets... I'm thinking more of a job in as baby-sitters or in a restaurant, something like that. Have you ever worked in a restaurant yourself?

**Ben:** Yeah I have – and I thought it was nice but exhausting! So, have you had a job interview yet?

**Padma:** No, not yet but I've sent some emails with my résumé, and I hope I will get an interview very soon!

**Ben:** Well, if you manage to get an interview, just show them how motivated you are, how hard-working you are. That's what they're looking for. And I think it's a good idea to practice before, you know, with a mock interview with your parents for example!

**Padma:** Yeah, I can do that! Thanks!

**Ben:** No problem! Tell me how it goes.
